## OVER MILLION IMMIGRANTS

Record Number Expected to Be Established for 1914.

Washington, June 11—Immigration arrived at American ports at the rate of more than 2,900 every week day during the first 10 months of the fiscal year of 1914, and indications are that by June 30, when the fiscal year ends, the greatest number of immigrants ever admitted during any year will have entered.

Statistics of the Bureau of Immigration for April and the 10 months ending with April, show 119,885, were admitted in April, and the total for the 10 months was 1,038,956. Should May and June arrivals equal the number admitted during these months previous years, the 1914 number would approximate 1,351,000 immigrants.

Miss Carrie D. Thomas, a Fleming County teacher and Mr. Samuel H. Robinson of this city were quietly married Wednesday, at 7 o'clock p. m., with Rev. Elijah Combs officiating. Ceremony performed at the home of the pastor. This is the second venture for the groom.

The banquet and reception given by the graduating class and faculty of the High School last night at Beechwood Park was well attended, over 400 being present. Smith's orchestra of Cincinnati made the music. The occasion came off with splendid order and was much enjoyed by every one present.

At a dance given by another "crowd" at Amazon Hall, last night, two people were arrested for disorderly conduct.

Deafness Cannot be Cured by local applications, as they cannot reach the seat of the ear. There is only one way to cure deafness and that is by constitutional means. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a running sound in your ears, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; unless cases of deafness are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free. F. J. CENEY & CO., Toledo, O. Sold by Druggists. Take Hall's Family Pills for constipation.

## AN ANNOUNCEMENT

From time to time our distribution system has been extended until now Electric Light and Service is within reach of every house in Maysville.

Co-incident with this extension of plant, has been the gradual but steady growth in number of Electric Consumers, whose number per capita now compares favorably with development in other cities.

We are appreciative of this ever increasing patronage and it is our purpose and ambition to merit its continuance.

June 1st, there went into effect the new schedule of rates to private consumers, established by contract with City Council. A very considerable reduction was made to all classes of service.

The class of consumer most affected however, and the one who will the most notice its value, is that class of which there are the greatest number—the comparatively small residence consumer.

For our mutual benefit we want to serve a very much larger percentage of the homes of Maysville.

By concerted effort and active co-operation between ourselves, the Electric Shop, G. A. Hill & Bro., Contractors and Proprietors, and the largest and best electric manufacturers of lamps and electrical devices in the world, inaugurate a new business and house-wiring campaign, city wide will be inaugurated.

This campaign will last for 60 days during which it will be very much to your advantage to entertain and accept the attractive propositions that will be made.
